Families with Young Children

Welcome to Christ the King!

Children are especially close to the heart of Jesus so don't feel you have to stifle those wiggles and giggles. Children learn liturgical behavior by copying you, so please participate and try to sit where they can see what is happening.

If your child should become verbally or physically restless, please quietly step out and utilize the chairs that have been placed in the Commons just for you. When your child has calmed, please return to your pew.

Do not give up!

You are welcome here, always.

A Request from Bishop Knestout

“I have recently been in contact with the Catholic Near East Welfare Association (CNEWA) and Pontifical Mission. CNEWA is on the ground in the key regions of Jerusalem, Gaza, Beirut, and Amman. Their goal is to support high-priority, immediate emergency needs as well as long-term emergency needs. To this end, they have **launched a Holy Land Emergency Appeal** aimed at helping those most in need.”

Bishop Knestout has asked us to conduct a special collection to be taken up for the benefit of CNEWA's Appeal. Please know that CNEWA will be able to report back on the use of all funds received and donors will know where their generosity is going. In addition, it is important to note that the Holy Land Emergency Appeal **will receive 100% of the funds collected.**

We will have a **second collection** for the **Holy Land Emergency Appeal** this weekend on the **Solemnity of the Epiphany – January 6th & 7th.**

Is 60:1-6 | Eph 3:2-3a, 5-6 | Mt 2:1-12

Written by
THE
FAITHFUL
DISCIPLE

GROW AS A DISCIPLE | PRAY, STUDY, ENGAGE, SERVE

It's interesting how an event can be interpreted by different people. God's revelation of himself in the birth of the child Jesus is clearly one such event. The Magi, Gentiles from the east, had heard of this "newborn king of the Jews" and undertook a long and arduous journey to see him and offer him homage. They were edified and eager in their search. Herod, himself a king - of the Jews - did not have the same reaction. The very thought of this "newborn king" threatened him and filled him with rage and suspicion. In this moment in human history, the manifestation of Christ to the Gentiles (i.e., the Epiphany) unveils the truth of God's redemptive work for all of creation to be reconciled to himself. This truth has been accepted and rejected throughout time, and our celebration of this feast gives us an opportunity to give thanks in a focused and particular way for our acceptance of it - to give thanks for the gift of our faith. Perhaps it is even a moment for us to have our own, colloquial epiphany: an "aha moment," where we once again truly understand the depth of God's love for us.

PRAY *Lord God of heaven and earth, | you revealed your only-begotten Son to every nation by the guidance of a star ... | Fill us with the light of Christ, | that our concern for others may reflect your love. | We ask this through Christ our Lord. Amen.*

(from USCCB Epiphany prayer for blessing of home)

GO EVANGELIZE

PRAYER, INVITATION, WITNESS, ACCOMPANIMENT

The Magi, the Gentiles from the east, were changed after their encounter with the Christ Child; they were warned not to return to Herod and they obeyed and took a different route home. In today's second reading, St. Paul says it has been revealed that Gentiles are "coheirs, members of the same body" - the body of Christ. Just as the magi were forever changed by their journey, so must we be. Their journey is a model for us, but we do not have to seek Christ in the world as they did; he is here with us, in Word and in the Eucharist. The Incarnation of Jesus is pure gift to our weary, troubled world. As we heard in Isaiah, "rise up! ... [our] light has come, the glory of the Lord shines upon [us]." As the Magi followed the light of the star, let us rise to the occasion and respond to God's light in our world by recognizing the good gifts God gives us each day. And then thank him for his enduring presence in our lives.

End of Year Message from Fr. Joe 2023

Glory to God in the highest and peace to all people of good will!!! As we continue to celebrate the birth of the savior, I would like to thank each and every one of you for choosing to be a part of our parish family. May the Holy Family of Nazareth whose Feast we celebrate today intercede for us all as we prepare to begin yet another year.

Allow me to very warmly welcome all who have joined our parish family of Christ the King this year. Thank you for choosing our parish from the many around us. May all the parishioners you encounter make you feel welcome and at home and if you need help, do not hesitate to call the parish office at 757-622-1120. To those who had fallen away from the Church, welcome back home!

We thank God for all our parishioners, young and old who have received one or several of the Sacraments this year. May we continue praying for them to be strengthened and supporting them in their Faith. May we also pray for more vocations to the priesthood and religious life. We still need many more young men and women who will become priests and consecrated religious.

I would like to take this opportunity to thank you whole heartedly for your continued support to the Annual Diocesan Appeal. We made our goal and we were able to get back \$5,867 which will be used for our Budget deficit reduction. I am so grateful also to those who have contributed to our CTK 75 fund. So far \$16,870 has been raised. If only more people participated, this would have been even better. We need all hands on deck; we need the participation of everyone. Every bit counts and no gift is too small!!!

“On this mountain, the Lord will destroy death forever.” (Is. 25:8) May we be consoled as we continue to think about those we have lost this year. I extend my sincere condolences to their families. They include the following: **Ricardo Asban, Victor Chapman, Roberta DeMeo, Philip Escudra, Donald Hornick, Greta Hovik, Roberto Ramos, Georges Sama, Carole Scoble, and Catherine Taggart.** May their souls and all the souls of the faithful departed through the mercy of God rest in peace.

In the new year, may we strive to arrive early enough to prepare ourselves mentally to participate in the Eucharistic celebration. This year, we had so many latecomers! Mass starts with the sign of the cross and ends with the dismissal after the final blessing.

May our holidays continue to be Holy Days. Let us keep Christ in Christmas. May the Christ-child draw all of us back to God as we celebrate with our families. May the Holy Family of Nazareth (Jesus-child, Mary-mother and Joseph-foster father) intercede for us and be a model for all our families.

Merry Christmas once again. I wish y'all a Happy, Healthy and Prosperous New Year 2024.

~ Fr. Joe Wamala

Greetings, Parishioners, Families, and Friends,

I am pleased to report that our students have adjusted remarkably well to returning to school after the Christmas break. Despite the extended holiday, they have returned with renewed energy and enthusiasm, eager to continue their academic journey. I have been impressed by their focus and diligence in class, and I am confident that they will continue to excel in their studies.

As we move forward, I want to remind parents to continue encouraging their children to maintain good study habits and a positive attitude toward learning. We are committed to providing a safe, nurturing environment that fosters academic growth and personal development.

As we approach the next phase of the academic journey, I want to remind you that our MAPS testing review was held from January 3-5, with MAPS testing beginning January 17. This important assessment helps us measure our students' academic progress and identify areas where they might need extra support. I urge all parents to ensure that their children are in school on the testing days, are well-rested, have eaten a good breakfast, and have their Chromebooks fully charged. Please note that punctuality is also essential, as we want our students to have ample time to complete the tests and perform to the best of their abilities.

We appreciate your cooperation and support in preparing your child for this important event. Thank you for entrusting us with your children's education. We look forward to continuing our partnership with you to provide our students the best possible learning experience. Please don't hesitate to contact me with questions at the school office or via email at kcallahan@ctkparish.org.

How can we get spiritual protection for our families all year long?

The **Epiphany Blessing** is a beloved and powerful tradition of the Church. This blessing recalls the Three Kings who came to adore Christ. It invokes God's protection upon your home, family, and visitors.

Performed by the parish priest or by the head of your household, the blessing includes sprinkling the rooms of the house with holy water. It also includes "chalking the doors". If you are not in the habit of doing the Epiphany Blessing, this year is the perfect year to start.

Christus Mansionem Benedicat (May Christ bless this dwelling place)

The chalk and holy water are given a special blessing on **Epiphany Day** that is particularly powerful against demons and spiritual dangers. We will have **Blessed Chalk** for everyone after Mass this weekend. If you need **Holy Water**, please bring a small bottle to fill from the font. When you've completed the blessing, don't throw the materials away—they are blessed and can't be put in the trash. A junk drawer is also a bad place for holy objects. If you don't have a good place to store these items, please return the blessed chalk to the church. We will have a basket for them next weekend on the table in the Commons.
